

Community Service Opportunity

Please join us on April 26th and help take back our forests!

Do you have a passion for helping the environment? Do you enjoy being outside and doing hand-on work? Get valuable job experience and help your local ecosystems. Join Madison Soil and Water Conservation District and the Friends of Madison County Parks & Trails in an invasive species removal project for the first annual Madison County Service Day! Wear clothes you don't mind getting dirty, a pair of work gloves and bring your friends! Tools and lunch provided. Weather dependent event.

Volunteers under the age of 18 will need a legal guardian present or signed waiver.

Please let us know if you can join us and/or need a waiver by calling (740) 852-4003 or emailing the Madison Soil and Water Conservation District at brian.hackett@oh.nacdn.net.
